## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 20-164, National Museum of Natural History, Website Records

---

## Descriptive Entry

This accession consists of the Department of Mineral Sciences website. It was crawled twice on November 27, 2018, shortly before the website was taken offline and its contents incorporated into the National Museum of Natural History website. The Department of Mineral Sciences website includes information about research, collections, exhibitions, seminars, facilities, and staff. In addition, it includes references to standards and the newsletter, "NMNH Geosciences." This accession also includes server files. Materials are in electronic format.

---
