## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 20-167, National Museum of Natural History, Website Records

---

## Descriptive Entry

This accession consists of the Department of Invertebrate Zoology website. It was crawled twice on November 28, 2018, shortly before the website was taken offline and its contents incorporated into the National Museum of Natural History website. The Department of Invertebrate Zoology website includes information about the department and its staff, research, and collections. This accession also includes server files. Materials are in electronic format.

---
