Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 20-172, National Museum of Natural History, Website Records

Descriptive Entry

This accession consists of the Department of Paleobiology website. It was crawled twice on November 27, 2018, and again on November 29, 2018, shortly before the website was taken offline and its contents incorporated into the National Museum of Natural History website. The Department of Paleobiology website includes information about the department and its history, staff, research, and collections. This accession also includes server files. Materials are in electronic format.
