Descriptive Entry

This accession consists of the Biodiversity Heritage Library Consortium (BHL) Instagram account as it existed on May 29, 2019. BHL is a consortium of major natural history, botanical, and research libraries that cooperate to digitize and make accessible the literature of biodiversity held in their collections as a part of a global "biodiversity commons." Instagram is a program for applying filters to digital photographs and sharing photographs online. Due to technical issues, some images are missing from this crawl. Materials are in electronic format.
