Smithsonian Institution Archives, Accession 20-199, Website Records

Descriptive Entry

This accession consists of the Facebook account of the Biodiversity Heritage Library Consortium (BHL) as it existed on May 29, 2019. BHL is a consortium of major natural history, botanical, and research libraries that cooperate to digitize and make accessible the literature of biodiversity held in their collections as a part of a global "biodiversity commons." Facebook is a third-party social networking site used for interaction with the general public. Due to technical issues, the content in this accession may be incomplete and some features may not function as expected. Some content is significantly older than the date it was captured. Materials are in electronic format.
