Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 21-029, Smithsonian Institution, Website Records

Descriptive Entry

This accession consists of the "eMammal" website as it existed on February 21, 2020. "eMammal" is a data management system and archive for camera trap research projects. The website provides information about camera traps and camera trap projects as well as data and images collected from many projects, but had originally been used for a citizen science project. Images and data may be incomplete in this accession. Materials are in electronic format.
