## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 21-031, Paleontological Society of Washington, Website Records

---

## Descriptive Entry

This accession consists of the Paleontological Society of Washington blog as it existed on February 24, 2020. The Paleontological Society of Washington functions to provide the latest information on topics related to paleobiology, evolution, and the origin of life. The blog contains information about the Society and announces upcoming seminars. The blog is located within the domain of the National Museum of Natural History and was established in September 2014. Materials are in electronic format.

---
