Title:	Website Records
Date:	2015-2020
Identifier:	Accession 21-050
Creator::	National Museum of Natural History
Extent:	
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 21-050, National Museum of Natural History, Website Records

Descriptive Entry

This accession consists of the "Asiloid Flies" website and the blog of the same name. The website was crawled on February 21, 2020, and the blog was crawled on February 24, 2020. Both are maintained by the National Museum of Natural History, Department of Entomology, and relate to asiloid fly research conducted by research entomologist Torsten Dikow and his laboratory. The blog launched in June 2015. Due to technical issues, data may be incomplete and some features may not function as expected. Materials are in electronic format.
