Title:	Website Records
Date:	circa 2015
Identifier:	Accession 22-043
Creator::	Smithsonian Institution. Office of Facilities Engineering and Operations
Extent:	
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 22-043, Smithsonian Institution. Office of Facilities Engineering and Operations, Website Records

Descriptive Entry

This accession consists of server files for the project website for the National Museum of African American History and Culture environmental impact statement and section 106. The website, a collaboration between the Office of Facilities Engineering and Operations and the United States National Capital Planning Commission, provides project information, meeting minutes, reports, news, background materials, and the final environmental impact statement. The files represent the website content from approximately 2015. Materials are in electronic format.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:
