Repository:	Smithsonian Institution Archives, Washington, D.C., osiaref@si.edu
Title:	Website Records
Date:	2020
Identifier:	Accession 22-056
Creator:::	Smithsonian Institution
Extent:	
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 22-056, Smithsonian Institution, Website Records

Descriptive Entry

This accession consists of the Institute for Biodiversity Genomics website as it existed on March 16, 2020. The Institute for Biodiversity Genomics refers to the biodiversity genomics program which unites the efforts of existing Smithsonian Institution research entities and a suite of partners around the world that will help scientists address the challenges of sustaining biodiversity on a changing planet. Smithsonian participants include the National Museum of Natural History, the National Zoological Park, the Smithsonian Conservation Biology Institute, the Smithsonian Environmental Research Center, and the Smithsonian Tropical Research Institute. The website includes information about the Institute and its research. Materials are in electronic format.
