## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 22-059, Smithsonian Facilities, Website Records

---

## Descriptive Entry

This accession consists of the public Smithsonian Facilities website. The website, which was crawled in its entirety on March 18, 2020, includes general information about the unit, strategic planning documents, organizational charts, information for contractors, and subsites for each of the departments within Smithsonian Facilities. In addition to the crawl of the entire site, the Office of Planning, Design, and Construction subsite was captured on April 7, 2020, and the Architect-Engineer Information Center subsite was captured on June 17, 2020. Materials are in electronic format.

---
