Smithsonian Institution Archives, Accession 22-094, Smithsonian Enterprises, Website Records

Descriptive Entry

This accession consists of the Air and Space Magazine website, maintained by Smithsonian Enterprises, as it existed on March 17, 2020. The website utilizes a blog platform and contains articles, blog posts, and image and video features encompassing every era of aviation and space exploration. Much of the content is generated based upon the collections of the National Air and Space Museum. The website has been back-populated with content dating from as early as 1991. Due to technical issues, some content may be missing or may not function as expected. Materials are in electronic format.
