Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 23-106, Museum Conservation Institute, Website Records

Descriptive Entry

This accession consists of web content maintained by the Museum Conservation Institute (MCI).

The MCI pages on the Smithsonian Institution website were crawled on August 26, 2021. They include information about research projects, conservation resources for the general public, and professional development opportunities.

An MCI project description page on the Smithsonian Institution's public-facing data repository was crawled on August 30, 2021. The project was a technical study of artifacts from Precolumbian Panama made of gold and related metal alloys. The research data is not included in this accession.

Materials are in digital format.
