Extent:	1.68 cu. ft. (1 record storage box) (1 half document box) (1 12x17 box)
Creator::	Knight, Harry H.
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 83-043, Harry H. Knight Papers

Historical Note

Harry Hazelton Knight (1889-1976) was a well-known teacher of entomology and was recognized world-wide as a leading taxonomist. He amassed a large collection of insects, mostly from North America. His primary area of research was the North American plant bugs (order Hemiptera, family Miridae).

Descriptive Entry

This accession consists of Knight's correspondence, notebooks, diaries, photographs, diplomas, certificates, and audiotape.
