---

## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 88-100, National Museum of Natural History.  
Department of Botany, Symposia Records

---

## Descriptive Entry

This accession consists of records that document the International Symposium on Grass Systematics and Evolution held in July 1986, at the National Museum of Natural History. The Smithsonian was co-sponsor of the event which included an exhibit. Thomas R. Soderstrom was the chief participant and organizer from the Smithsonian Institution. These records also document the publication of the book (1988) which arose from the Symposium.

---
