## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 88-124, Curtis W. Sabrosky Papers

---

## Historical Note

Curtis Williams Sabrosky (1910-1997) was an entomologist who specialized in Diptera, especially Chloropidae. In 1946, Sabrosky joined the staff of the United States Department of Agriculture, first with the Bureau of Entomology and later with its Systematic Entomology Laboratory (SEL) as a Research Entomologist, and served as Research Director from 1967 to 1973. From 1980 to 1988, he was a Cooperating Scientist at SEL, as well as a Research Associate of the Department of Entomology, National Museum of Natural History (NMNH).

---

## Descriptive Entry

This accession consists of correspondence, drafts, notes, and related materials documenting Curtis W. Sabrosky's work on the revision of the International Code of Zoological Nomenclature, 3rd edition (1985).

---
