## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 88-145, Smithsonian Institution. Office of Facilities Services, Project Files

---

## Descriptive Entry

This accession consists of the project files of Frank C. Gilmore, Facilities Program Analyst for the Office of Facilities Services, documenting the Quadrangle Museum Project primarily in regard to installing equipment and furnishings. Coverage is uneven but in some cases extends from the beginning of the design stage to the creation of lists and plans for finished work/space. Materials include correspondence, memoranda, and notes; planning information; solicitations and bids; and photographs.
