Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 91-020, Smithsonian Institution, International Center, Program Records

Descriptive Entry

This accession consists of records that document the International Center's preparation for, and involvement with, the "Science, Ethics and Food Colloquium." The colloquium, a four-city program tour, included presentations of the "World Food Prize." Materials include correspondence and memoranda; proposed budgetary figures; media advisory information; photocopies of articles; acceptance speech scripts of personages receiving the "World Food Prize;" papers from individuals participating in the colloquium and proceedings for the event; release agreements from lecturers; photographs and contact sheets; a printed program for the colloquium; minutes of meetings and trip reports; participation lists and reception format options; invitations and list of invitees to contact; United States Information Agency (USIA) proposals, as well as suggested applicants to attend; and brochures.
