Collection Overview

Repository:	Smithsonian Institution Archives, Washington, D.C., osiaref@si.edu
Title:	Records
Identifier:	Accession 92-031
Date:	circa 1977-1990
Extent:	6 cu. ft. (6 record storage boxes)
Creator::	National Museum of Natural History. Environmental Awareness Program
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 92-031, National Museum of Natural History. Environmental Awareness Program, Records

Descriptive Entry

This accession consists of records from the International Center, Office of Environmental Awareness (OEA), concerning the following: Environmental Activities Report, a survey document covering the Smithsonian's environmental research activities; Media and Environmental Conference, held at the Smithsonian Institution in September 1989, which brought together scientists and media professionals to discuss environmental issues; *Saving the Tropical Forests*, research material for the publication that reflects on a range of strategies for saving the rain forest; and Tropical Rain Forests Exhibition, administration records. These records consist of correspondence and memoranda, budget information, photographs, stock footage files, exhibit and slide show scripts, book manuscripts, and drawings.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:

- Environmental protection
- Environmental research
- Environmental sciences
- Rain forest ecology

Types of Materials:

Black-and-white photographs
Drawings
Manuscripts

Preferred Titles:

Saving the tropical forests (Monograph : 1988)

Container Listing

Box 1

Environmental Activities at the Smithsonian Institution, 1988-1989. This document is a survey of the Smithsonian's environmental research activities.
