Collection Overview

Repository: Smithsonian Institution Archives, Washington, D.C., osiaref@si.edu
Creator: National Museum of Natural History, Environmental Awareness Program
Title: Ocean Planet Exhibition Records
Dates: 1989-1995
Quantity: 3 cu. ft. (3 record storage boxes)

Administrative Information

Preferred Citation
Smithsonian Institution Archives, Accession 95-173, National Museum of Natural History, Environmental Awareness Program, Ocean Planet Exhibition Records

Descriptive Entry

The "Ocean Planet" exhibition opened in April 1995 at the National Museum of Natural History, and is scheduled to travel in twelve cities through 1999. These records consist primarily of script drafts and reviews by Smithsonian employees, government officials, and national experts on environmental issues. The Rockefeller files contain brochures, press kits, fact sheets and correspondence gathered in an informational survey of U.S. museums, aquariums, botanical gardens and zoos.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:
Traveling exhibitions.

Types of Materials:
Brochures
Manuscripts

Names:
