Descriptive Entry

These records mostly document programs of the Education Department for the Fall 1992, Spring 1993, and Summer 1993 semesters. Program files were created for each lecture, seminar, symposium, course, workshop, tour, or package trip offered by the Department, and include articles, promotional materials, and other background planning information on the subject of the program or the talent; signed agreements and correspondence with talent; enrollment and income reports; correspondence with program participants; evaluation questionnaires; and administrative forms, correspondence, and memoranda regarding planning for the programs.

Also included are the Education Department's press files from 1991 to 1993. These files consist of originals and copies of newspaper and magazine clippings.
