## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 99-127, National Air and Space Museum.  
Department of Aeronautics, Exhibition Records

---

## Descriptive Entry

This accession consists of records that document Aeronautics Department curatorial research and planning for the *Air Traffic Control* Hall exhibition at the National Air and Space Museum during the early 1970s. Materials include the memoranda and correspondence of curators Robert C. Mikesh and Louis S. Casey; information pertaining to exhibition script development; photographs of early air traffic control towers and instruments; exhibition design information and blueprints; and reference material.

---
