Administrative Information

Preferred Citation

Smithsonian Institution Archives, Record Unit 246, National Museum of Natural History.
Department of Entomology, Records

Descriptive Entry

These records contain annual reports of the Department and its predecessors, 1922-1970, including curators' and divisional reports, statistics on specimens and accessions, and publications lists; plans of operations, 1927-1951, 1953-1966; and requisitions for purchase of specimens, 1964-1971. Also included are reports to the Department on activities of United States Department of Agriculture, Bureau of Entomology and Plant Quarantine, and Division of Insect Identification personnel stationed in the museum. These reports are filed with the Department or Division reports for the corresponding year.
