Preferred Citation

Smithsonian Institution Archives, Record Unit 272, National Museum of Natural History.
Department of Botany, Records

Historical Note

For an administrative history of the Department of Botany, see Record Units 220 and 226.

Jason Richard Swallen succeeded Ellsworth Paine Killip as head curator of the department and served from 1950 to 1964. In 1964, the administrative title was changed to chairman; chairmen represented in these records include William L. Stern, 1965-1967, and Mason E. Hale, 1968-1970.

Descriptive Entry

These records consist of a variety of record and ledger books documenting loans, accessions, requisitions, and the mounting of specimens; annual and quarterly reports; files relating to World War II problems of loans and storage; exchange files including correspondence with other institutions; a botanical reference file of replies to public inquiries; and an administrative subject file maintained by William L. Stern.
