Collection Overview

Repository:	Smithsonian Institution Archives, Washington, D.C., osiaref@si.edu
Title:	Photographs
Identifier:	Record Unit 285
Date:	1920s-1970s
Extent:	17.37 cu. ft. (33 document boxes) (1 3x5 box) (2 5x8 boxes)
Creator::	National Museum of History and Technology. Office of the Director
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Record Unit 285, National Museum of History and Technology. Office of the Director, Photographs

Descriptive Entry

The Offices of the Director and Deputy Director, National Museum of History and Technology (NMHT) maintained these photographs as a reference file. The majority of the photographs document the history of NMHT and its predecessors; included are views of exhibits, buildings, events, and some specimens. Some materials date to when the museum was part of the United States National Museum and from when the museum was known as the Museum of History and Technology.

Many of the images in this collection are available online.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:

- Historical museums
- Museum buildings
- Museum exhibits
- Science museums

Types of Materials:

- Black-and-white photographs
- Black-and-white transparencies

Names:

Museum of History and Technology (U.S.)

National Museum of History and Technology (U.S.). Office of the Deputy Director

United States National Museum

Container Listing
