Extent:	4 cu. ft. (4 record storage boxes)
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Record Unit 362, National Museum of Natural History. Office of the Director, Research Program Records

Descriptive Entry

These records document special programs and projects undertaken in the National Museum of Natural History (NMNH). Included are files on the Caribbean Coral Reef Ecosystems Program, Scholarly Studies Program, Short-Term Visitors Program, a 1987 NMNH expedition to Henderson Island in the South Pacific, the 1987 NMNH Task Force on Research, the NMNH Calendar, and the NMNH Diving Board. Also included are files concerning the Charles Darwin Foundation for the Galapagos Islands, a program administered by the Assistant Secretary for Research. The records consist of correspondence, memoranda, proposals, reports, budgets, and fiscal materials.
