Collection Overview

Repository:	Smithsonian Institution Archives, Washington, D.C., osiaref@si.edu
Title:	Records
Identifier:	Record Unit 485
Date:	circa 1954-1994
Extent:	64.08 cu. ft. (49 record storage boxes) (26 tall document boxes)
Creator::	National Museum of American History. Division of Musical History
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Record Unit 485, National Museum of American History.
Division of Musical History, Records

Descriptive Entry

This record unit consists of curatorial and staff correspondence and memoranda pertaining to the Tower Concert series, exhibitions at the Hall of Musical Instruments, staff research and publications, organ building, acquisition of musical instruments, and funding for seminars and musical performance recordings. Also included are inquiries from private collectors, musicians, universities, and instrument manufacturers; minutes of meetings; floor plans for the Hall of Musical Instruments; recital announcements; audiotapes of Fesperman's organ performances; contracts with publishing companies; Fesperman's research material for the publications *Flentrop in America* and *Organs in Mexico*; exhibition proposals, scripts, loan agreements, and brochures from *Contemporary Musical Instrument Makers*; funding information, progress reports, photographs, and program booklets from Music at the Smithsonian, as well as the Tower Concert series; audiotapes and cassette recordings of concert performances, interviews with musicians, and music used for exhibitions; administrative records; photographs and slides of American and European chamber organs; correspondence between Fesperman and organ builder F. A. Flentrop; and staff research notes.
