Collection Overview

Repository:	Smithsonian Institution Archives, Washington, D.C., osiaref@si.edu
Title:	Grant Proposals
Identifier:	Record Unit 525
Date:	1965-1978
Extent:	20 cu. ft. (20 record storage boxes)
Creator::	Smithsonian Astrophysical Observatory. Contracts and Procurement Office
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Record Unit 525, Smithsonian Astrophysical Observatory, Contracts and Procurement Office, Grant Proposals

Descriptive Entry

These records document quotations, proposals, and bids from contractors, equipment makers, and other vendors to provide facilities and instruments for the Smithsonian Astrophysical Observatory (SAO) and its programs. Of special interest are voluminous files concerning the development and planning for the Multiple-Mirror Telescope (MMT) facility at Mount Hopkins, Arizona.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:

Astrophysical observatories

Types of Materials:

Manuscripts

Names:

Multiple Mirror Telescope Observatory
