Smithsonian Institution Archives, Record Unit 627, Smithsonian Resident Associate Program, Office of the Director, Records

Descriptive Entry

These records document many aspects of the management and functions of the Smithsonian Resident Associate Program (RAP). Administrative records include budget files and documentation of registration, travel, security, and parking issues. Program records contain files on symposia, seminars, receptions, classes, and performances offered by RAP; events associated with exhibitions and commemorations; international activities; and publicity. In addition, the records describe the development of RAP publications such as catalogs, calendars, posters, and prints. This record unit also includes files on cooperative projects with the National Science Foundation.
