Administrative Information

Preferred Citation

Smithsonian Institution Archives, Record Unit 7135, Collected Notebooks of Entomologists

Descriptive Entry

Most notebooks of entomologists are retained as part of that person's papers; but for convenience, others are retained in this collection. The notebooks for the most part contain information relating to specimens in the National Museum of Natural History.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:

- Entomologists
- Entomology
- Scientific expeditions

Types of Materials:

- Field notes
