## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Record Unit 7146, Fur Catch and Big Game Inventory Statistics

---

## Descriptive Entry

These records pertain mostly to fur catch and big game inventory statistics compiled for the *Fur Catch in the United States* and *Big Game Inventory* published by the Fish and Wildlife Service. Prior to 1958, Frank G. Ashbrook compiled the statistics for the *Fur Catch* publication. Since then, the Bird and Mammal Laboratories, located in the National Museum of Natural History, have compiled figures for the report. Statistics for the *Big Game Inventory* are likewise compiled by the Laboratories.
