Historical Note

Lawrence H. Walkinshaw (1904-1993) graduated from the University of Michigan School of Dentistry in 1929. Though a dentist by training, he was a leading authority on cranes on which he published 61 articles and two books: *The Sandhill Cranes* (1949) and *Cranes of the World* (1973). He described the Canadian sandhill crane (*Grus canadensis rowani*) in 1965. He published on other species as well, most notably Kirtland's warbler.
